

Music: Marc Matthys
Lyrics: Nathalie Matthys

Illusion

It all began
with a drink and a dance
We joked, we laughed
We were unafraid of romance

Our souls content
We ignored any signs
This might not be
Meant to last

One fell in love
Put a hold on the ease
The truth hit hard
Forced the other one to leave

We lost a love
But by now we had gained
despite the pain
[a] priceless friend
