Welcome, little Zoë

Mmmmmmmmm

Noe

Hands so small and the bluest eyes,
you've found your way in our hearts
With a smile so warm and a curious mind
you explore the world, yet unaware
how we'd protect
how much we feel, we love, we care
and how we ache to hold you
close and whisper into your ear:
Welcome, little Zoë

Mmmmmmmmm

Since this fall you have changed our lives
we are to love someone new
As you keep growing up with us
you remind us of important truths
how strong a love
how sweet a smile, a hug, a laugh
how fearless life can be when
every person that meets you hums
“Welcome, little Zoë”

Mmmmmmmmm
